

How to I get to the apartment from the cruise terminal?

The T3 PORTBUS runs from all the cruise port terminals to the Columbus monument at the lower end of Las Ramblas and back. This bus co-ordinates its schedule and frequency depending on the arrival and departures of the cruises. The bus tickets cost 3 €. The nearest metro is Drassanes (green line L3) only one stop away from Paral.lel metro station which is just across the street from our building. Buses 21, 91, V11 or H14 brings you to our building. Metro or bus ticket costs 2,15 €.

There are taxi ranks at the front of all cruise disembarkation points. There is a waiting line and not all taxis are large.

If you don't want to use public transport or wait in line for your taxi, you can book a private transfer. This service is a little more expensive. Taxi with 6 seats costs 25 €. Minibus with 13 seats costs 50 €.
