Blackwater No. 5 is distilled in West Waterford from the purest spirit, the finest botanicals and soft local water. It balances confident juniper notes with bright coriander, warm cinnamon and zesty lemon. Blackwater No. 5 is crisp and elegant, great as a G&T, excellent in a cocktail.

Poachers Classic Tonic
and a slice of lime to create the perfect

Blackwater Strawberry Gin

Thirteen botanicals are distilled to produce this gin, the largest of these being strawberry, as you might expect.

The berries are grown just outside Enniscorthy, Co. Wexford. After distillation, even more strawberries are added to the gin (that's how it gets its natural strawberry colour). No sugar or sweeteners are added.

We highly recommend a clear clean-scented Blackwater Strawberry Gin paired with a refreshing Poachers Irish Citrus Tonic Water from Morriscastle, Co Wexford.

Garnish with strawberry.
