Stone Spa

Winner of “Best Luxury Wellness Spa” and in 2015 “Best Emerging Spa” by the Best Luxury Spa Awards, Stone Spa is implanted in an ancient olive oil mill and dug in a quarry, Alentejo Marmòris Stone Spa Hotel is a unique refuge to enjoy true moments of evasion and wellness.

Immerse yourself in a relaxing and unforgettable experience, where the power and magnetism of the marble transport to other place where the details will surprise you every time.

Entering in the Stone Spa is an unforgettable experience, that clears our senses to the beauty of the stone that adorns its original walls.

Forget the outside world, and embark on an imaginary voyage, like a character from the books of Julio Verne.

The beauty and strength of its original walls, the authentic trickle of the water and the initial formation of small stalactites make its atmosphere absolutely unique.

The Spa has 4 treatment rooms (2 double), an indoor and outdoor pool heated, swimming pool with whirlpool circuit, pool with massage beds and hammam that compound the perfect background for your relaxation.

BRUNO VASSARI - Kianty Spa

Bruno Vassari, a professional Cosmetic brand with over 40 years of experience, decided in 2004 to begin studying Italian wines in order to create a new line of products. This line of products relies on the best cosmetic qualities of the wine, or more specifically, the grapes, to give the best possible care to your skin.

Due to the connection between the brand’s Italian name and Italian wines, a new line of products named **Kianty** was created. The **Kianty** line of products got its name from one of the most famous wines from the Toscana region, **Chianti**.

It is important to know that the black grape has very special characteristics and its known for its soothing and antioxidant qualities that rejuvenate your skin on the inside and the outside.
