

Pedestrian trail “From the 4 Crosses to São Francisco Velho”

Before the memories marked in stone, we find the noble trees of Alentejo: cork oak and holm oak,

After, the place of the 4 Crosses, evoking memories from another era, and the aqueduct of São Francisco Velho (Saint Francis, the Old). It served the first convent of Capuchos that existed in Vila Viçosa.

Length: 9km, 3 hours.

Difficulty level: low.
