**EVACUATION ROUTINE CASE OF FIRE, USE THE STAIRS TO EXIT,
DO NOT USE THE ELEVATOR.**

For your safety:

- For your privacy and security, please always use the deadbolt to lock your room under double locks from the inside. The security latch and door viewer should be used to visually identify anyone outside your door. Please follow these same guidelines for connecting doors - For safekeeping of your valuables, state law limits liability for loss of items left in the rooms. Please use the safety deposit box provided in the room at no extra charge - If you detect fire or smoke, call the "operator" number or the hotel's designated emergency number. DIAL 0.- Touch the door to determine if it is hot, if it is not, open it carefully and proceed calmly to the nearest emergency exit (refer to the floor template), take your room key with you.- If you are unable to leave, stay in your room and seal the door with wet towels until help arrives.

A low-angle, upward-looking shot of a modern hotel building. The building's facade is composed of large glass panels and light-colored rectangular panels. The windows reflect the sky and clouds. A large, three-dimensional sign is mounted on the side of the building, featuring a red logo on the left and the words "METRIA HOTEL" in blue and white letters to the right. The sky is a deep blue, and a red geometric shape is visible in the top-left corner of the frame.
