

## BREAKFAST

At The edge, we believe that it's important to start the day with a good breakfast. Your butler can serve breakfast in your villa, at The Cliff Bar or oneeighty°, based on your request. Our famous Skypool floating breakfast is not to be missed!

As well as your a la carte choices, your breakfast includes a fruit plate, pastry selection, fruit yoghurt, smoked salmon and chocolate/banana beignets.

To ensure that your breakfast is served promptly, your butler will request your breakfast order the day prior. Please choose one a la carte breakfast item, as well as your choice of juice and tea or coffee. Selamat Makan!
