

Kia Ora!

Our wine offering has both breadth and depth, with New Zealand wines, especially our locally produced Central Otago offering, taking center stage. With healthy offerings internationally, most notably from France and Australia, we are sure to have a wine to suit anybody’s palate. Our wines are acquired from both vineyard libraries and private cellars and each bottle tells the distinctive story of its origins – the terroir, the winemaker and the vintage. At The Rees Hotel we have developed a private cellar of one of the most comprehensive collections of fine Bordeaux wines in New Zealand, complimented by some of the great names in Burgundy. Our cellar also celebrates the growing international stature of the best winemakers of our homeland. It is our firm belief that there is an unserved appetite amongst discerning people for the opportunity to savour the best wines in the world alongside the best from New Zealand – and to know more about the distinctive provenance of the wines they favour.

We are more than happy to help you if you have any questions or would like advice choosing the best wine for you.
