Your Choice of Loose Leaf Teas & Infusions

Scottish Afternoon Tea

A fine blend of tea from India, Sri Lanka & Kenya are combined to create this mellow refreshing blend.

Earl Grey

A light aromatic blend of fine China tea delicately scented with the citrus zest of bergamot.

Assam

An intense tea from the Brahmaputra Valley in northern India gives a smooth rich malty flavour.

Gunpowder Green Tea

A green tea from China with the leaves rolled tightly to resemble gunpowder pellets. This golden liquor gives a delicate smooth taste.

Peppermint

Renowned for its digestive properties, refreshingly minty and naturally caffeine-free peppermint tea makes an ideal drink to follow a meal.

Camomile

Aromatic and soothing, naturally caffeine-free camomile has long been associated with its calming properties and is an ideal aid to relaxation.

Red Berry Crush

A medley of red fruits blended together to create a sweet rich naturally caffeine-free infusion.
