The food is excellent and well presented, from our wedding breakfast through to the hangover breakfast! We were delighted at the way David unobtrusively managed the day and was always on hand to help with any requests, he is an asset to the trade. Also special thanks to Ray and Carolyn for their help in organising the day and dealing with the run up. We look forward to returning to this special place.  
  
A true Highland gem.” **Dorothy & Nigel Reid – November 2019**
- ✚ “What can I say, absolutely perfect place to have your wedding, beautiful setting, staff very attentive, nothing a problem, rooms very spacious and clean, it was horrendous weather but you would never have known as it's very warm and cosy! Could not fault the room the ceremony was held in, wedding dinner or the breakfast next morning, everything from fruit to a fully Scottish breakfast, it's remote location (albeit 10 minutes from the town) makes it a very romantic place” **Janice Dolier (Groom’s Mum) – November 2019**

✚ "We had our wedding reception here and all the staff went above and beyond to make our day truly special and unforgettable. Everyone was so attentive and friendly - our guests were very impressed.

If you're looking for a wedding venue, we highly recommend this place. Stunning garden grounds, beautiful views and amazing staff who all work together in harmony to make your day as perfect as can be.

A huge thank you to every single staff member at the hotel, we will definitely return for our first year anniversary!" **Zeenat & Mark Reid – October 2019**

✚ "We stayed for 2 nights for my sons wedding. The location is excellent, hotel in its own grounds which are very well kept. The hotel is very homely with huge roaring fires and great rooms. The wedding party had exclusive use of the hotel for the weekend. Everything was perfect, well done to the hotel staff and management." **(Groom's Parents) – October 2019**

✚ "Had our wedding on 13/7/19 in the Alexander Room followed by an amazing meal in the Mackenzie Room. We then had the reception outside on the lawn in a marquee with the talented Foot Stompin' Ceilidh Band which went amazingly from start to finish. The food was out of this world esp the dessert and the service from all of the staff from the young lassie to the ladies on reception to Carolyn who kept me sane and of course David who seemed to appear just when you needed him ( phone charger ) and of course Stephen who has that amazing smile that instantly brightens up any room. We put up our centrepieces and little bits and pieces the day before and they put them out for us and nothing was too much bother and Ray himself couldn't do enough to help. Loved the fact we had our wedding so local and in such a gorgeous setting." **Tracy & David Piggott – July 2019**

✚ "We had our wedding at KinCraig and it was an amazing experience. The castle is absolutely beautiful and we had our day on the marquee on the grounds. From the start of the booking, Ray was incredibly insightful and helpful and was willing to go the extra mile to make our day special. Every time we visited the castle we were made to feel like royalty, with all the staff going the extra mile.

On the day itself, David was absolutely amazing and made sure everything ran smoothly and he simply could not do enough for us.

He even provided all the guests with umbrellas due to the heavy rain! The food was outstanding! There were compliments all round from all the wedding guests. Their ability to cater to any allergy requirements meant all of our guests were able to enjoy the food. What a day and an experience! Would highly recommend KinCraig castle as a wedding venue or even just for a visit!" **Lydia & Matthew Ilett – June 2019**

✚ "If you are looking for the perfect setting for a wedding then KinCraig is it. We had an amazing time on my daughter's big day. Even the thunderstorms didn't dampen our spirits. Wedding manager David and his staff treated us like royalty. From all lining up outside to greet us on arrival; holding umbrellas for us when we went from the marquee to the castle; to co-ordinated service of the top table. Amazing! These extra little touches from the staff really made the day, making my daughter feel like a princess!

The catering staff should also be mentioned. The chef and team delivered delicious dishes straight to our tables - all piping hot! No mean feat given they were working in a marquee.

If you are looking for a magical, fairytale setting for your wedding then I wouldn't hesitate to recommend the KinCraig." **A Bryson (Brides Mum) – June 2019**

✚ "We got married at KinCraig last Saturday and could not be happier with everything going absolutely perfectly on the day itself. The setting is beautiful and is exactly what we wanted with a real Scottish rustic feel about the place, we have some amazing photos that were enhanced by the surroundings. The rooms were brilliant, all a good size, clean and tidy, all our guests enjoyed their stay. The Castle rooms where the main Wedding party stayed were beautiful and the hotel added personal touches to make our stay even more special. The staff were excellent and could not do enough for us or any of our guests on the day, responding to our every request and making the whole day seamless." **Emma & David Philips - April 2019**

✚ "Our Fairytale Wedding - we had the most magical Wedding last week at KinCraig Castle Hotel. Ray and all his team were absolutely amazing from the moment we booked our Wedding right up until we checked out on the Sunday. Ray has been fantastic and supported me through my planning. We

checked in on the Friday and all the staff were extremely helpful and friendly. Nothing was too much hassle.

Saturday morning came and the wonder team stepped in and I had to let go of control and put my trust in the staff. My word they did not disappoint. Everyone was amazing! The service from all the staff was just amazing!! They attended to everyone and were always polite and happy. When I did not think Kinraig could look any more beautiful the team brought my Wedding vision to life and the venue looked perfect with the personal touches. The Chefs are extremely talented and our guests couldn't stop complimenting the fantastic food.

The team at Kinraig ensured all went perfect!! If you are looking for a fairy tale bespoke Wedding, Kinraig Castle is certainly the place for you. I only heard positives about the food, service etc. I honestly can't put into words how happy and impressed we are. Please pass on our thanks to Carolyn, Kristi, Stephen and the lovely lady on reception they are all worth their weight in gold. I was also touched at the lovely waiter who took pudding out to our babysitter, his kindness was noticed by a few people. All of the rooms were perfect. Thank you very much for our card and gift too. We will definitely be coming back for our anniversary." **Lizzie & Matthew Johnston - April 2019**
