✚ "Our Fairytale Wedding - we had the most magical Wedding last week at KinCraig Castle Hotel. Ray and all his team were absolutely amazing from the moment we booked our Wedding right up until we checked out on the Sunday. Ray has been fantastic and supported me through my planning. We checked in on the Friday and all the staff were extremely helpful and friendly. Nothing was too much hassle.

Saturday morning came and the wonder team stepped in and I had to let go of control and put my trust in the staff. My word they did not disappoint. Everyone was amazing! The service from all the staff was just amazing!! They attended to everyone and were always polite and happy. When I did not think KinCraig could look any more beautiful the team brought my Wedding vision to life and the venue looked perfect with the personal touches. The Chefs are extremely talented and our guests couldn't't stop complimenting the fantastic food.

The team at KinCraig ensured all went perfect!! If you are looking for a fairy tale bespoke Wedding, KinCraig Castle is certainly the place for you. The staff treat you like family, the venue and grounds are just breathtaking, the service and food is just absolutely perfect!! ✚ "We got married at KinCraig last Saturday and could not be happier with everything going absolutely perfectly on the day itself. The setting is beautiful and is exactly what we wanted with a real Scottish rustic feel about the place, we have some amazing photos that were enhanced by the surroundings. The rooms were brilliant, all a good size, clean and tidy, all our guests enjoyed their stay. The Castle rooms where the main Wedding party stayed were beautiful and the hotel added personal touches to make our stay even more
