

ABOUT US

We would like to introduce ourselves, the Morton family, as the new owners of The Anchorage.

Since taking ownership in June 2025, the staff & ourselves have been working diligently on essential improvements on this great 200 year old building.

Bringing over 40 years of experience in the hospitality trade, we look forward to reviving this classic Scottish Coaching Inn to former glories.

Our Sister venue, The Harbour Bar has built up a great community & family friendly ethos with solid reputation of good service & honest, hearty food.

A reputation we will instil at
The Anchorage

We would be honoured to assist you & your family in any way at this delicate time.

Sincerely,
The Morton Family & Staff
