Saturday 5th May

£42 per person

Time: 7pm sit down
at 7.30pm

"Listen very carefully, I shall say zis only once"
Welcome to Renee & Edith's restaurant - but you may have chosen a bad night.

Renee has agreed to look after the painting of the Fallen Madonna with the Big Boobies in the cellar, to keep it safe till the war is over. But Herr Flick of the Gestapo is on its trail on the orders of Hitler himself!

Michelle & the French resistance could not have picked a worse time to hide the British airmen in the same hotel. Renee will have to use all his ingenuity – not to mention his wife's appalling cabaret singing – to throw Herr Flick off the scent. It won't be easy, especially when Officer Crabtree turns up to lend a hand. Enjoy a brilliant night of fun and laughter!
