West Country Beef is aged for 21 days minimum to ensure tenderness. It has naturally healthy fats that give a beautiful caramelisation during cooking. It is also high in Omega-3 & rich in Vitamin A & E. Overall, this gives a delicious earthy, beefy flavour, which you can only get from genuine grass-fed beef.

All food is prepared in a kitchen containing common food allergens.

If you have a food allergy, please advise our service team.

A discretionary 10% service charge will be applied to all bills. Price in GBP & inclusive of the current goods & services tax.
