

THE COTTAGE HOTEL

RUDDINGTON

A comfortable, professional venue for funeral teas and wakes

At the Cottage Hotel we understand how difficult the loss of a loved one can be and we can help your family through this painful time by offering an affordable alternative to catering for funeral guests at home.

With a long experience of hosting wakes, we have created a relaxed, homely environment, and our sympathetic, approachable staff are on hand to assist you at all stages. Our main restaurant can seat up to 100 people and will accommodate 200 for a buffet, whilst our smaller restaurant is perfect for smaller gatherings of 30 and below. The hotel also has ample on site parking and 22 en suite bedrooms to accommodate your guests travelling from further afield.

With Rushcliffe Oaks and Wilford Hill crematorium only 10 minutes away the Cottage Hotel is the ideal venue for your funeral wake. Please give us a call, and let us give you one less thing to worry about.
