

Dear Valued Guest,

Please be informed that preventative maintenance will be carried out on **one of our eight swimming pools from 10 June to 24 June 2026.**

This work is necessary to repair cracks in the platform beneath the swim-up bar seating area and to refresh the tile grouting in selected areas of the pool. For safety reasons, the pool area and pool bar will be temporarily closed during this period.

Maintenance work will take place daily from **9:00 AM to 5:00 PM.**

Please note that these works will be light and non-intrusive, and all activities will be carefully managed to ensure minimal disruption to our guests.

During this time, guests are welcome to enjoy our seven other outdoor swimming pools, which will remain open as usual.

We will do our utmost to keep any disturbance to a minimum and ensure your stay remains comfortable and enjoyable.

We appreciate your understanding and look forward to welcoming you.
