

Travel Sustainable measures

These are the steps this property has taken to provide more sustainable and eco-friendly travel:

Waste

- Recycling bins available to guests and waste is recycled
- The property makes efforts to reduce food waste
- Single-use shampoo, conditioner, and body wash bottles not used
- Single-use plastic stirrers not used
- Single-use plastic straws not used
- Single-use plastic water bottles not used
- Single-use plastic bottles not used
- Single-use plastic cups not used
- Single-use plastic cutlery/plates not used

Water

- Water-efficient toilets
- Option to opt out of daily room cleaning
- Option to reuse towels

Destination and community

- Invests a percentage of revenue back into community projects or sustainability projects
- Tours and activities organized by local guides and businesses

Nature

- Green spaces like (rooftop) gardens at the property
- Bicycle parking
